Spring 2019

FREEDOM GROUPS-

Freedom groups are for everyone! This 12-week study helps teach all believers how to pray through the power of the spoken Word, learn what it means to surrender your life daily, and to know how to let God lead you. You will also learn what it means to be a worshipper and how to minister freedom to others.

Following the 12 week study you will experience a powerful two-day conference designed to allow you to personally encounter the Lord and receive freedom in many areas of your spiritual life. God is excited about you and made the way for you to live in peace and victory. Freedom teaches you how!

FREE MARKET GROUPS

We use the term "free market" to describe the endless opportunities that you can discover to connect with others who might share your same personal interests or hobbies. Join a study, make a meal, or enjoy an activity together. It's simply a creative way to make friends, have fun, and be encouraged to grow in your walk with Christ.

FREEDOM SMALL GROUPS

Freedom Groups build on the foundation of your faith in Christ to help you embrace the truth of God's Word as it relates to your worldview, your past, your sin, your personal value to God, and your purpose in His Kingdom. This group will help you remove every obstacle to intimacy with God and walk in true freedom.

Living in God's Best-Don't Settle for Less

Most Christians live in a place where it's just a matter of time before there's a crisis in their lives and they need a miracle. You might think it would be wonderful to go from miracle to miracle, but that means you'd also be going from crisis to crisis! Miracles are great when you need one, but you weren't meant to continually get by on them. God wants to change where you live.

Let's come together and not only pray for our kids, future kids and grandkids but the schools they go to, and the church ministry they are involved in. We will also pray for the adults that are a great influence in their lives such as teachers, school administrators, and pastors. If we are not praying for our kids then who is?
